

Wanting

The rain trickles
down my paned window
as I stand up to hunt the sky
for the stripes of my childhood.
The more I want to touch
that rainbow, the more it drifts away.

Diana Raab, MFA, PhD, is a memoirist, poet, speaker, and award-winning author of 14 books of poetry and nonfiction. Her writings have been published and anthologized worldwide. Her latest book is *Hummingbird: Messages from My Ancestors* (Modern History Press, January 2024). She writes for *Psychology Today*, *The Wisdom Daily* and others. Visit her at: dianaraab.com.
